Classification Decision:

Objectionable.

Display conditions:

Not Applicable.

Descriptive Note:

Not Applicable.

.....

Direction to issue a label has been given on: Not Applicable.

.....

**SUMMARY OF THE REASONS FOR DECISION:**

These photographic publications are found to promote and support the exploitation of children and young persons for sexual purposes. The photographs focus upon the nudity, genitals, and in some instances sexual activity between male children and young persons. The manner of these depictions appears heavily sexualised for the purpose of viewer titillation and sexual arousal. The Classification Office therefore classifies the above-named publications as:  
Objectionable.
